

Transition Announcement

Drew Cares International-Rwanda, an implementing partner of Charles R. Drew University of Medicine and Science, with funding from the US Department of Defense/PEPFAR has been implementing HIV/AIDS programs in Rwanda since 2006, serving the military, their families and civilian communities served by RDF health facilities.

Given funding for this grant will be ending effective 30 September 2017, Drew Cares International–Rwanda will not be implementing these HIV/AIDS program activities in Rwanda after that date.

Therefore, Drew Cares International-Rwanda wishes to notify the general public of this transition and invite suppliers and contractors who may have any outstanding liability with Drew Cares International-Rwanda to resolve any such matters before September 30th, 2017. After this period, Drew Cares International-Rwanda will no longer have responsibilities for any liabilities related to its history of implementing the HIV/AIDS program in Rwanda. HIV program services currently supported by Charles R. Drew University / Drew Cares International-Rwanda will continue during this transition.

The Drew Cares International Board of Directors and Management convey their appreciation to the Government of Rwanda, Rwanda Defense Forces, its personnel in Rwanda, other partners and the general public for the extraordinary partnership and collaboration that marked its operations in Rwanda since 2006.
