

TENDER NOTICE

Title:

DESIGN OF A STATE OF ART CONFERENCE CENTER, REVIEW OF TRUCK PARKING DESIGN & SUPERVISION OF CONSTRUCTION

Prime Economic Zones is committed to continuously improve quality of services provided to clients and investors of Kigali Special Economic Zones (KSEZ). This is part of its journey to enable KSEZ become an Eco-Industrial Park. Truck parking lot and Training and Conference facilities have been identified as key areas highly needed by customers. To this end, Prime Economic Zones Ltd would like to source consultancy services for the design of conference center and review of existing architectural design and engineering studies for construction of truck parking lot. The consultant shall be expected to provide proposals for the state-of the-art building and truck parking that meets international standards.

The Consultant shall provide concept of architectural designs of the subject for discussion and validated by Prime economic zones ltd. Before finalization, the agreed concept shall be used as basis for engineering studies. Following this, engineering work drawings shall be provided by the consultant for agreed structures and support facilities, suitable for the KSEZ site that would meet marketing needs of traders, customers, business entities and provide conducive environment for seamless circulation of goods and people.

PEZ Ltd hereby invites all eligible and qualified bidders to the execution of the aforementioned works. A mandatory site visit is scheduled on **November 28th 2022** and shall be conducted by Prime Economic Zones Ltd engineer. The venue for departure is fixed at the **Prime Economic zones' office at 10:00am**.

Well printed Bids written in English or French, properly bound and presented in two (2) copies of which an original and a copy in sealed envelopes must be submitted at Prime Economic Zones Ltd secretariat not later than **December 09th 2022 at 10:00 local time**. Bids shall be opened in a public session on the same day at **10:30am local time** in presence of bidders at Prime Economic Zone head office located in the 4th floor of PEZ commercial center, Kigali Special Economic Phase two.
